**A GOOD \_\_\_\_\_  
IS AS GOOD AS  
A GOOD FRIENDSHIP**

A good community spirit is all about pulling together, overcoming challenges, and sharing victories. What's important is not what separates us as schoolmates or club members, but the goals and everyday life we have in common. We believe that clothing with an identity shared by students, teachers, members and instructors strengthens our community spirit, and motivates us to go the extra mile.

ID® is one of Europe's leading manufacturers of Corporate Wear. Every day we deliver seven million profile articles to business partners across Europe, and we are also ready to guide and direct you in your choice of new clothes that strengthen your identity and community.

Because together you are unique!

# A MEMORY FOR LIFE

Design your own school sweater

The school sweater gives you a memory for life - a memory of good friendships and an unforgettable school time, or a fantastic club season.

*We're so pleased with our school sweaters. Whenever we wear them, they will re-mind us of the good times we had together for many years to come.*

- Martin Andersen, former secondary school student

*A sense of community  
and security is highly  
valued*

## A skating environment for everyone

Hall 19 is an all-round club and ice-skating rink with many options. The rink is open to skateboarders, scooter riders, roller skaters and BMX riders.

Hall 19 highly values the community spirit, which the new club clothing from ID® is doing its bit to support. It brings children and young people of all ages closer together.

Case history

# SKATING CLUB GETS OWN CLOTHING COLLECTION

*Hall 19 is much more than just an ice skating rink in Holstebro. They have created an authentic community and haven for skaters, scooter enthusiasts, roller skaters and BMX riders. With their own clothing collection, they have managed to further strengthen this community.*

To give members the opportunity to express how they feel part of the skater culture and community, Hall 19, in partnership with ID®, have created their own clothing collection.

Alberte, manager of Hall 19, says: *“We find that the members wear their Hall 19 clothes with pride. The clothes also make it easier for them to recognise each other in different skating halls and at events. Clothes with the same identity give you the feeling of being part of something bigger and stronger - they are part of the Hall 19 family, which shares the same interests and passion.”*

## Customised with your own logo

School and club clothes make more of an impact when they bear a logo.

Hall 19 got their own clothing collection, based on the familiar ID® classics customised with Hall 19's own logo and design, to support their identity.

More than sportswear

Active Wear developed with a focus on comfort, freedom of movement and functionality. From work to work-out, from strolls to sprints.

# **REUSED PLASTIC GETS NEW LIFE IN ACTIVE WEAR**

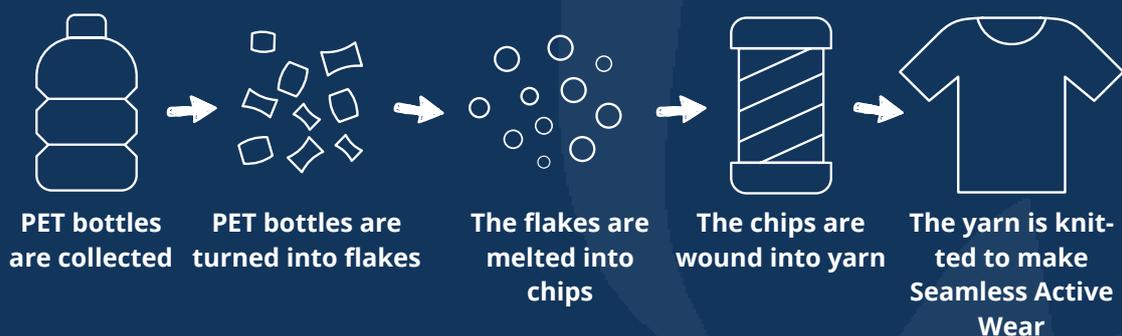

Seamless is the name of the new Active Wear collection from GEYSER by ID®, made from recycled polyester, a more responsible material derived from reused plastic.

In the Active Wear series, there are T-shirts with quick-drying and sweat-transporting features, which are designed without sewn side seams, for optimal comfort and freedom of movement.

Responsibility is a journey, not a destination. We are continuously learning, and we'd love to have you on board with us.

The message is simple #letscaresetogether
